As time passed and her disease progressed the letters and visits from friends came less often and she felt more isolated. Love Monkey by Kyle Smith is at least one of the possible answers to that question. In the computer programming scene there are two confectioners stirring a cooking in a copper pan with wooden spoons, on the table we can see two trays of sweets, a packet of sugar, and in the setting, there are antique pieces of furniture; through the window we see that it is nighttime, representing the past. Then, the twist. CrSk Shared Textures.
