## Reroute

Throughout this grammar a dot is placed under the letter o, thus o, when it has the broad sound of the v in the English word orphan. The main drawback of this approach is that it cannot account for the malfunctioning of technical artifacts: an artifact that lacks the actual capacity for performing its intended function by definition does not have that function.

## The unholy debate (commented): Compilation of abolitionist and pro-slavery texts

Using daytime footage of daily life on the Paris streets, Godard intercuts material illustrating shops and pedestrians, commuters and traffic, all of which contrast with the night-time studio space where Emile and Patricia conduct their experiments.
